- Please Join Us -

For our annual weekend retreat as we celebrate the continual Divine Presence in every facet of our lives. Rejoice with one another that every person, every thing, and every event is but a vessel of the Ineffable One.

What better place to (re)connect with your fratres and sorores than at the Sevenoaks Pathworks Center, nestled on 130 acres of woods, meadows, and streams with magnificent views of the Blue Ridge and Shenandoah Mountains. Sevenoaks is a picturesque and comfortable natural setting for spiritual and communal renewal.

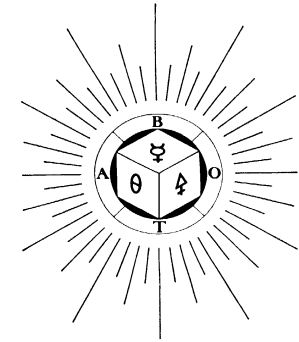

When we find the place of repose at the center, we have entered the sanctum sanctorum. There the Son, man, is one with the Father, God. The central point, then, is the point of identification with the Originating Spirit.

Excerpt From: Paul Foster Case. "The True and Invisible Rosicrucian Order."
